

Immigrants in Czech Republic

Prokop Mejstřík

Statistics

- Ukraine - 120 000
 - For work, usually not permanent stay
- Slovakia - 113 000
 - Students
- Vietnam - 60 000
 - Shopkeepers
- Russia, Germany, Poland
 - Historical cause

Refugees - politics

- Strictly against
- Do not accept quotas (dividing immigrants between states of EU)
- Used and misused in elections
 - Accepted about 15 refugees
 - No terrorism in our country
- No problem with immigrants at all
 - Low social benefits

No Islam
No terrorists

Refugees - people

- People are against refugees
- They were/are afraid a little
 - Impact of history
- Big effect of politics
- Now, we do not talk about it so much
- Problem - do not see difference between escaping from war x coming for money
- Problem with social benefits even for Czechs

Latest news - elections

- 5th - 6th October
- To the Senate
- To the municipal government
 - The independent nominees won - no exact side

Latest news - accepting orphans from Syria

- Project to accept 50 „children“ from Greek refugee camp
- Divided government
- + we should be more sympathetic
- - they were not children, and were not from war zone
- Big medial campaign
- They were not accepted (the Prime Minister was against)

The end
