International facts

- In 2016 – 66 million of refugees
- 51 % younger than 18 years old
- On journey 5096 men, women and kids have died in 2016

Migrants vs refugees

MIGRANTS

- They leave their country because of jobs, economic problems or education.

REFUGEES

- They escape because of some dangerous situations (war, famine..)

Emigration vs immigration

EMIGRATION

- We go somewhere...

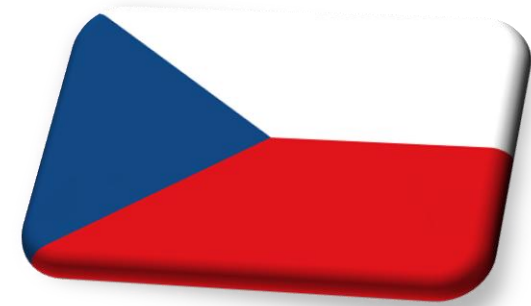

IMMIGRATION

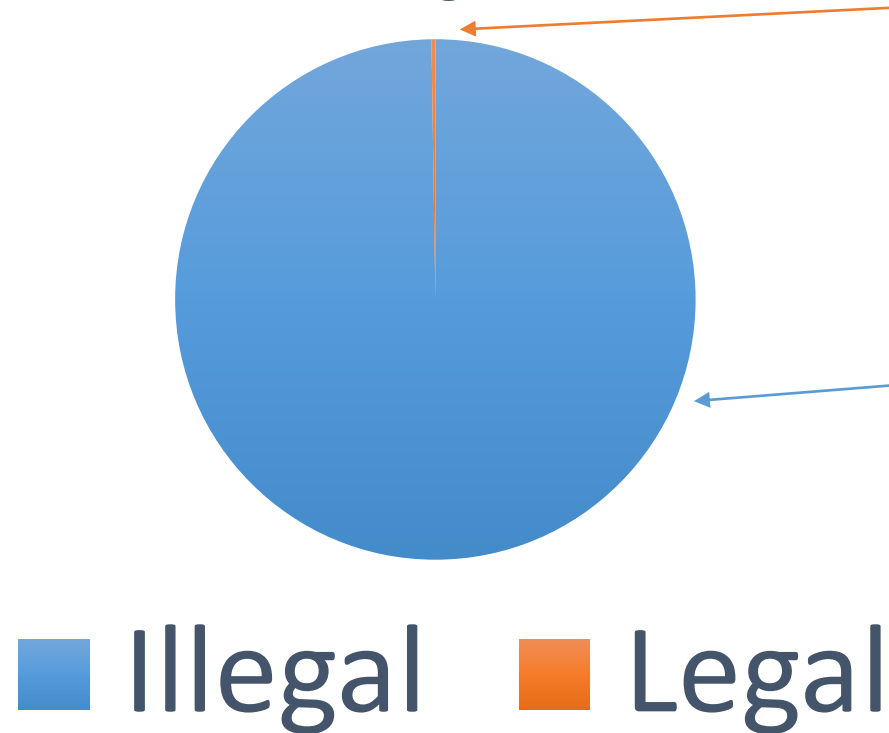

- They come to our country...

Czech Republic and refugees

Refugees

There are our 12 legal accepted refugees...who stay here

There are other refugees – less than 5000 continuing to other states
